

Video Guidelines

“Leveraging Technology for Sustainability in Language Learning” Special Edition of LTsig Newsletter, 2025

We welcome **short, engaging, and high-quality video contributions** that explore the intersection of **English language learning, technology, and sustainability**. Videos can include:

- **Teacher or student reflections** on integrating sustainability in language learning.
- **Interviews** with experts or educators.
- **Infographic-style explainers** on key concepts.
- **Mind Maps or Concepts Maps** capturing the essence of this topic, its implications, ways it can be implemented, etc.

Format & Technical Requirements

- **Length:** from 5 to 7 minutes.
- **File Type:** MP4
- **Audio:** Clear and free of background noise.

Submission Process

- Submit the videos in **mp4 format**, as an attachment.
- Submit the following in a **Word document**:
 1. A **video description/ abstract (150 words max.)** summarizing the content.
 2. A **short bio (100 words max)** of the contributor(s).
 3. A written permission to the IATEFL LTsig committee to publish your video in their newsletter. Just a line stating this in a clear way.
- **Send an email** with the above-mentioned materials to coordinator@ltsig.org.uk or susyyalo@gmail.com
- **Deadline:** May 1st.
